“ *Healing thoughts go out to all the McGraw children and grandchildren. She was a tough lady!! Special memories include- amazing pot roast, Jeopardy guru and family reunion in a local park. She taught me at age 30 how to wash clothes & i “got schooled” because she checked each pocket before putting clothes in washer and found stuff i would have missed! I checked pockets moving forward:)*

Her son, Samuel, provided three amazing additions to the McGraw clan:) and one indirect grandchild addition who is proving to be another fantastic, spirited McGraw:) May you rest in peace:)
