“ Dear Sara and Family--
Though I've never had the opportunity to meet Mr. Ashley, through the years I've learned much about him from Sara's accounts of her caring family. It's easy to understand how Sara had such a deep, abiding commitment to both of her parents. Mr. and Mrs. Ashley were truly blessed to have had Sara as their daughter! From your loving arms to His...I send my sincere condolences to the entire family, and wish you peace as you celebrate the rich and love-filled life of your Dad.

“ I am one of those in Palm City, Florida, who was lucky enough to meet Mr. and Mrs. Ashley during their trips to stay with Sara. It was especially fun to stop by during a Kentucky basketball game. My husband Tom and I love Sara and send our condolences to the entire family. Although we are sad on Earth when someone we love transitions to their next life, it brings a smile to my face to think of Mr. and Mrs. Ashley being reunited. May the Lord be with you all during this tender time.
