“ I didn't know your Father very well but I know he loved you Guys. Brent and Andy, I just now found out he had passed. I'm so very sorry for your loss and I'm sorry I wasn't there for you.

“ I had the privilege of playing with Mike on the '54 Tomcat sophomore team and the '55 varsity team where Mike was a truly outstanding player. He blocked two kicks for touchdowns, one of which was the winning score at the end of a close game. He was also a warm and supportive friend through the years and I always looked forward to spending time with him when I returned to Ashland for high school reunions. My best wishes go to his family in this sad time for them. They should know that they and Mike are in my thoughts and prayers. John Koskinen Washington, DC
