“ That girl was my best friend. At one time you never seen either of us without the other attached at the hip. I've never had a sister but she was the closest thing to a sister I have ever had. She was so outgoing and funny.

There was neve a dull moment with us together. We would always be driving around singing to the top of our lungs..or we would be doing visits with both Shawn and JR. One thing about Ash is that she loved her momma Tammy..her papaw...but more than anything she had mad love for Sean Owen's and all of her babies. I am going to miss ashly so much and she will forever be in my heart. MY BEST FRIEND ALWAYS!!! my life will not be the same without her.
