“ *What can I say, she was a friend, a mother, a grandmother, a sister, an aunt, but most of all, she was a wonderful wife. She always put her family first. She was always there when someone needed a shoulder to lean on, or just an ear to listen. She was loved by so many and she always gave so much love back. You will be greatly missed my precious mother. I will always carry you in my heart. I love you mother. I will be seeing you soon. Your daughter, Venia.* ”

*Barb, I'm gonna miss you and I love you. Glad we had that talk on your porch about two weeks ago. Mary says it all for the both of us. Tell my mother that I said hello and give her a hug from me.

“ *Mommy was the greatest lady on this earth in my eyes. You always was there for me no matter what. I love you so much. I miss you so bad mommy. I'm going to miss your carrot cake and pumpkin pies. You were the greatest cook. You could whip up anything out of nothing. I don't know how I'm going to move forward. When I listen to your voice mails on my phone I just cry because I want you back here. Life is never going to be the same with you gone. You are so missed badly. I just want to be with you again.* ”

“ I will always think of Barb as a Sister, my heart hurts looking at her Picture. This Lady always loved my Big Brother with all her Heart no matter what and I am so Thankful to her for that. She always did for her Kids like a True Mom would, she was always the first one there if you needed help. I will always keep you in my heart. I love you so much, let your Spirit be Free my Friend.
