“ Betty was such a wonderful person. I knew her all my life . My family used to go over on the hill to have supper with the Slones to eat Marie's wonderful cooking. I treasure these childhood memories and am so sorry she is gone. She would come back to the purple flash reunions and my family were just thrilled to see her. Love you all , Jayne Howard

“ So sorry, she is a real part of my family's circle, and loved by all. Loads of memories with the Slone family. Great person from great people. The Martin, Ky circle is broken more and more these days. She was so proud of her Martin life. She will always be remembered fondly.

“ Betty was a childhood friend, and a good one. We were in school together for 12 years and later enjoyed each others company for only a few times, in our adult life, not nearly enough. I figured she was ill when she slowed in communicating, and I cried when I saw the news of her passing yesterday. I'm sure all who knew her will miss her. I will.

“ My heart is there with you children, Betty and I shared so many good memories, one I have thought about all day, when we around the age of 8-10 years, we always went to the Saturday matinee at the theatre in Martin Ky. we both found our first love there. what a thrill to sit through that western movie and eat popcorn, drink coke, for the price of .25cents. memories and family is forever and where love never ends. Rest peaceful in the arms of Jesus my friend, your sister niece. Kathryn
