“ Dearest Bobbi RIP my friend! I will miss the fun times we had playing darts, cards, singing karaoke, but mostly I will miss the beautiful soul you had and that gorgeous smile. You could brighten up any room with that smile. I love you my friend and I hope you are sitting on a bench somewhere with your Poppa having a wonderful time. Goodbye my friend I will never forget you!

“ My sweet baby girl you was a blessing from God and I loved you so much. Saying I'm going to miss your face and hear your laugh is an understatement. My heart is broken and it will never recover. Kiss your daddy, Ms Rosie and papaw for me. I love you to the moon and back until we meet again sweet girl 🥰

“ I was the secretary at Charles Russell Elementary where Bobbi was a student. She always had a smile on her face and her heart was as good as they come. She was so talented and made the world a better place to live. I will surely miss her. With deepest sympathy.
