“ *Beulah, Homer and family! Sending my heartfelt sympathy to all of you. I cannot begin to imagine the heartbreak you are feeling right now so I won't say I know how you feel when you lose a child, because I don't. I just want to say I love you and pray for God to comfort you today and every day to help you through the loss of your precious son. I can't come to the funeral today, but know you are in my thoughts and, of course, my prayers...love to all, Gail.*
