“ A Jimmy Stewart quote came to mind - "Years ago my mother used to say to me, she'd say, 'In this world, Elwood, you must be' - she always called me Elwood - 'In this world, Elwood, you must be oh so smart or oh so pleasant.' Well, for years I was smart. I recommend pleasant. You may quote me." Brian chose pleasant, our whole crew had many good years in the Kitchen Bldg.

“ Brian always made it fun to hang out with the "Montgomery Gang". Sharpest wit on the block and made the days of mischief and merriment intellectually entertaining. Brian will be missed and remembered by all who knew him. Sincere condolences to all that were closest to him.

“ Brian had such a wonderful sense of humor and a big heart. On this roller coaster we call life he could still muster up a joke out of thin air. Snag Brian. Rest in peace. Deepest sympathies to Brian's family. Nancy and Jamie, I'm so sorry for your loss.

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”
