“ Carolyn and I were good friends . We grew up knowing each other and going to the same schools just about all of our lives. Went to blacks skating rink on the weekend and had fun skating. I never will forget Carolyn, I’m going to truly miss her. I know how her family will miss her terribly. We have not been in contact for a long time I didn’t get back to Ashland till a few years ago but I couldn’t find out much about Caroline.

*My prayers will be with the family and I hope God will give you comfort in your time of need.*

“ As former neighbors for many years, we came to know and love Carolyn and Ron as caring and wonderful people. Our hearts go out to Carolyn's family. She endured so many health issues and still managed to smile. That is what we will remember. May Ron and the children find comfort in the good memories they have of Carolyn.

*Deepest sympathy,*
