Tribute Wall

CP

“ Kevin and Jamie, I worked with your Dad at CSC for years (Jamie I worked with you at R&R) and had maintained a friendship with him after his retirement. I just heard the news and am so sorry to hear of your loss. I will miss his wicked sense of humor. I always used to tease Dan that if you look in the dictionary for the definition of "curmudgeon" his face would be there :). Condolences to all.
