“ Coach Towler was a very young, first year assistant on our BCHS basketball team my senior year (1980). As a fairly recent former player he was someone a high school kid could still relate to and had a lot to do with our team success me playing at the next level. Still have fond memories of some hard fought pick-up games at the Y with Coach Towler. Just an all-around good guy and had a big part in helping a lot of young kids.
