“ Deb and I were friends for more tha 30 years. We called each other Gert because of an old practical joke. I was big Gert, she was little Gert. She was a really great person and friend. Will miss her every day. Love ya, Gert!!

i worked with Don and Jim, and met Debbie 35 years ago. Great smile, great competitor (which runs in the family), and as nice as anyone I've ever met. The world will be a little bit smaller without her in it.
