“ *I'm sorry for your loss. She was such a fun person to be with, always smiling and making everyone feel welcomed. I loved going to Aunt Dee Dee's house with mom when I was little. I have such wonderful memories of her children and grandchildren coming over at night, a full house of eating, talking, and laughing. I would sit for hours with my blanket and pillow refusing to fall asleep to just watch and listen to Aunt Dee Dee, my mom and Beulah play cards. Those sisters had a blast telling stories about their childhood. The laughter was never ending! It is a wonderful memory! She was a lovely woman and will be greatly missed. You and your family are in my thoughts and prayers.*
