“ My Dear Niece Cheryl,

I just heard the terrible news about your mom. I am currently quarantined from the Grand Princess, but needed to contact you immediately to express my deepest sympathy and sadness. When I am released, you will hear from me again.

I loved your mother and she had been a wonderful sister-in-law to me. I remember first meeting her in 1979, when your uncle introduced me to the Daniels family. Over the many years, we enjoyed happy times at family gatherings in Kentucky and Texas, plus visits in Maryland.

Your mother was also a caring and responsible big sister. Your uncle told me many a story about how she helped him throughout his life. Your Uncle James told me about a time when he was so upset during his senior year, explaining to his oldest sister, that he would not be permitted to participate in the school band or get his graduation picture taken, because he did not own a suit. Your mom said, "Well, we will have to take care of that!" The next day, she took him out and bought him a new suit using her own money! Every time he told me that story, he would cry. So one time, I insisted he call your mom to tell her all he remembered about her kindnesses and to thank her. He was a bit shy about it, but he was so glad he made that call. (Our world needs a lot more of those type of phone calls!)

You were always a caring and attentive daughter to both of your parents. I know they were extremely proud of you.

Your mother will be missed very much.

Take good care of you. I will be thinking of you, and the family, as I remember your mom.

Love and prayers,

Aunt Laurie

“ Cheryl,

Very sorry for the loss of your mother. I always loved your mother. She lived a good Christian life and is now in Heaven rejoicing even more than she did on earth. My prayers are with you. May God bring you comfort during this time of need.
