“ *This wonderful lady...where to start...She worked countless hours taking care of the elderly and children of all ages. She was my legs when mine didn't work. She laughed with me and cried with me. We spent hours on the phone,,she would vent and I would vent also. She was my second mom and mammy to both my sons. She never had alot of material things in life but what she would give everything she had if it was needed. She had a smile for everyone and always met me on the porch waving and saying I love you and waving as we left. I love this special little woman that God gave me the pleasure of being loved by and I am sure, without a doubt that she loved me and my boys. Mammy will be sadly missed by me, Tanner and Wesley...Fly high friend till we meet again....*
