“ Irene,
I will never forget you; I had no time to say goodbye and you were gone before I knew it. You were a good friend and I am comforted by so many memories especially the talks about our cats. The tears in my eyes I can wipe away, but the ache in my heart will always be there. It was a blessing that I found a friend like you for your life brought joy to mine, and your memory will be a treasure forever. I will miss you even though it hurts to look back; you touched my life in so many ways and you will stay in my heart forever. I am deeply saddened by the news of your passing and may you find comfort in the hands of Gods angels? My condolences and deepest sympathies go to your family in this time of sorrow.

“ Irene was an awesome associate. She would always bring a smile to my face. She always would do what I needed and never complain about the task to me, now she may have complained to others :) She always showed me respect. I knew that I would not get to see her again the day she gave me a big hug and told me that she appreciate everything that I have done for her. I really will miss her and her stories. :(RIP my dear associate you will be missed at 1210.
