“ May the Peace of Christ be with all his family and friends as you say your final goodbyes. Gregg will be greatly missed by many, especially when it is time for the next FOP Memorial Service. I had the honor and privilege to work with him on several of the ones in the past and he always made sure that every effort was made to have everyone on the list represented by someone. He had a heart of gold! Godspeed my friend! Beverly Sharp

Nell and family: I began my career at the APD 1-1-70. Bill began his career in Aug. 1969. I worked many years with Bill and I appreciated him very much. I knew Greg from the time he was 11 years old. I knew him to always be a polite and respectful person. He would go out of his way to speak to you and ask how you were doing. He was a good man and I am sad to hear of his death. I pray that the love of God be with you to see you through these times. Best wishes to each of you. Don O'Pell

Nell...Once again, I send my sincerest condolences and sympathy for you and family for your loss of Gregg at this most difficult devastating time.Like so many other Officers our kids seem to row up around us and we come to know them very well...after all, we all were a Law Enforcement family and that kept us all very close. I wish I could have been there today to give you another shoulder to lean on. My prayers go out to you and the family....Gregg is now with God right there with Bill....and there is great comfort in that. Mike Tussey
