“ I haven't said anything because it's hard to handle, but I have faint memories of you. I love you grandpa, we all miss you and wish you were here. I'm thirteen now and I wish could've seen you one more time. You were the best person anybody could've known. You had the best heart and cared for everybody.

“ Kinner was a good man and a great teacher. I'll never forget the way his keys jingled as he walked (which let us know he was coming) and the normal GUYS!!!! what are you doin. It hurts me that I wont be able to make it to the funeral because I'm out of state, but I wil be thinking of him and his family. I am truely sorry for the loss of the best teacher i ever had.

*Sincerely*
