“ So many good memories of Jim and his family. He was my neighbor in Johnson County. My son was 2-3 years old. He called Jim “big Jim”. My son had asthma and Jim measured him with a sourwood stick and put the stick in the attic of an old house where nobody could find it. He said when John outgrew the stick his asthma would go away and it did. I am so sorry Deanne for all the tragedy you've been through. You will be remembered in my prayers. So glad we were able to connect after so many years. Love you sweetheart 💔

“ Many of adventures did he have. A smart man who's life showed wisdom, love, and laughter. He made growing up fun. I will remember him as I did the first time I saw him.

No joke I did think he was handsome and that he played Tarzan. He married my beautiful niece Ollie Freda Simpson Hill. And had 3 of the most interesting children. Deanne the designer and model. Lynn the sweet but reckless one. She enjoyed laughing. Jimmy the down to dirt one. He loved playing with his toys in the dirt.

So many wonderful memories that I will hold deep in my ❤️.

My love and prayers are with you all.

This is the time we reflect on the good times, the love he showed and the smiles and laughter that we can't forget or let go of.

Jim i will never forget you.

Rest in peace.

“ He was loved by my family as though he was born into it.

He was married to my niece Ollie Freda Simpson Hill.

They had 3 children who was dear to us.

He was just a “Big kid” with the whole family.

He had a glow that shined through his children. And grandchildren.

Prayers for all who loves him and will miss him.

Gods Speed Jim Hill.

Wear your Angel Wings with pride.
