“ He was truly a great person, always seemed to make me laugh. Even on days when I was upset. There's a lot more to be said, but some things are better left unsaid. He will always be missed.

“ *I'll always remember Pat as he was when we were both small. Gentle, self-possessed, and with a spark of keen intelligence in his eyes. He will be sorely missed. I know that Uncle Jimmy is so happy to have him in Heaven with him, though, and that helps a little.*

“ *Pat was the brother I never had, but ended up being exactly that and more.*

Sherry, Steve, and the rest of the family...I thank you for the opportunity to meet and know such an unbelievable person. Everyone loved Pat and he treated everybody with dignity and class. My only solace is the belief that one day we will be reunited. I am certain that Heaven has become that much brighter and happier now that Pat Skaggs has joined the company of our Lord.

I love you all and please know that Georgi, myself and my parents shall continue to pray for you all to have any semblance of comfort during this time.
