Tribute Wall

“ Janet Deal was a wonderful example of a life lived close to God, and I am forever thankful for her example, for introducing me to the author Catherine Marshall, and for being a person with a wonderfully big heart. I am very grateful for the time I had in getting to know the whole family. She was a very special person, as are her children, Jim and Danielle. My prayers are with them, and Janet's grandchildren. May God bless them with peace and healing in this difficult time.

Love,

“ I'm so sorry for your loss and for mine, Janet was always there for me as we raised our children, saw them off to college, married and then the blessing of grandchildren...she has always been the model for "Love" as Jesus wanted us to be. I cherish the memories we made and the friendship we shared. She truly blessed my life.

I won't be able to attend services, I have breast cancer and am going through chemo and because of the side effects cannot get out in public, but know each of you are in my prayers and God will hold your hand through these services. What a blessing that we know where she is.

“ Mrs Deal was my 6th grade teacher and I so many good memories of that year. She made that year very memorable for me. She taught us French and it was one of my favorite classes of my learning years. She was a very sweet lady and I’m sure will be greatly missed by all who knew her. Prayers.

“ I remember her teaching a Sunday school class about all the miracles that God did in her life, and it made my faith so much stronger. Perhaps the kindest person I ever met. She will be missed.
