“ *My deepest condolences to all the Keller children and your families for the loss of your Mother.*

I was Blessed with the opportunity to know your mother and will miss her dearly.

There has never been a truer statement than "God could not be everywhere, therefore He made mothers".

Memories that seem closest to our hearts are the small gentle ones made with our moms that we have carried over from the days of our childhood. These memories will last forever always keeping them close to each of you.

Although it's difficult today to see beyond the sorrow, May looking back in memory of the good and loving times with your mom help comfort you day by day.

“ Jeff, Miles it's been a very long time since you all lived on Arcadia Drive in Middletown Ohio. I have fond early childhood memories of running around the neighborhood with the two of you. Your mother was always kind to me. Through the years I at times wonder where you all were and how you are getting along. I'm sorry that this update occurred at a difficult and challenging time. Your mother, you and your family are in my prayers
