“*Treasure the friendship of Joy, a very "Classy Lady"... Enjoyed the travel stories she and Elmer shared in Florida... She was proud of the metal work signs Elmer made for her, many expressing how special she was to him... Joy enjoyed her church and the many families she treasured in her Sunday School class... Will miss her Valentine treat she shares with her class members... I am sure she is enjoying a great reunion in Heaven with those waiting for her, but most of all she is with her Lord and Savior...*
