“ As a former patient of Dr. J and present Dr. R, I just wanted to tell you both how sorry I am for your loss. On one of my visits, Dr. J. shared how his wife loved to quilt and Dr. R shared how he occasionally would throw things out his bedroom window at passing cars. Your conversations helped me greatly get thro the visit. I can only offer my condolences and pray for your family that you can feel God"s presence with you as you deal with the loss of your wife and mother. Sincerely, CT

“ When I went to the post office to pick up the church mail this morning, I found a letter addressed to Calvary from Judy. It made me smile to hold something that she must've had in her very own hands just as recent as Friday. Even though she is now with God, there will always be constant reminders at Calvary that she will always be with us. She loved her God, she loved her family, and she loved her church. And it always showed in her various ministries.

Judy, I will miss you greatly. I will love you always. I will never forget your sweet laughter. It has been a gift and a blessing to have known and loved you.
