“ *Kaleb is such a kind, loving soul! He had a way of making anyone that crossed his path happy. You could be in such a bad mood and if you came across Kaleb, your mood would instantly change! All the kids loved him. He was a great teacher and leader. All the staff loved him also. Anytime we needed help in our rooms he was right there to help in anyway he could. The world truly lost a special person and I'm going to miss him so much! We love you Kaleb! Until we meet again, Love Gigi*

“ I met Kaleb a few years ago through a mutual friend and really came to like him. When I first saw him at Sarah's Heart it had been awhile since I'd seen him but his sweet soul instantly lit back up inside me. It was always a pleasure getting to see him, and my son really loved him too. Prayers for comfort and strength for the family in the days ahead. His bright light will always remain in our hearts.
