“ I have so many memories of Kenny, I knew him since I was a teenager. We had a lot of fun and sometimes got in a little trouble together. Nothing serious, just boys being boys. The story I want to share shows what a big heart he had. When I was getting ready to leave Catlettsburg to go to school in Louisville I was dead broke. Kenny asked me what I needed before I left. I told him I would need an alarm clock so that I could wake up for classes. He drove me and Jenny to the store and helped me pick out one and paid for it. He wanted to do what he could to help me be successful. He will be sorely missed. Rest in Peace Kenny.

“ Got a lot of memories of Kenny. We worked on several jobs together, and I was pretty good friends with Kenny. As we grow into our lives we went apart a little bit, but Kenny was ALWAYS a friend to me, and would speak no matter where we were. I remember the last time we seen each other was at Speedway in Catlettsburg, we talked for a bit and we both went on our way. I was in a hurry to go somewhere...who knows. Knowing what I know now, wish I would have talked for hours. Kenny you were a good man, father, son, and much more to a lot of people. Jenny I am so sorry for your lose, Kenny loved you so so much. Kenny you will be missed by many. Love you my Brother / Friend. Rest in peace my friend, rest in peace.
