*Thank you Bonnie Clark... No one was intentionally left out... Forgive me for not thinking clearly 4 hours after holding my mothers hand and watching her slip away. Brittany and I had to do this at the saddest moment in our lives and our heads and hearts were grieving. This wasn't the place for this so with that said if u or anyone has any comments or questions direct them to me at 606-615-7801. This is a place to pay respects not the complaint department. My mother deserved more respect than that! Uncle Buck was absolutely her family and I apologize for leaving him out... It was not intentional.*
