“ I never met Ms. Gregory but I have heard so much about her from her daughter Missy. Missy and I have worked together for many years and she has saved my bacon more than once when it comes to some work related issues. If Ms. Gregory was anything like Missy, she was most likely a fire cracker who had a heart of gold! rest in Peace and my thought are with you all during this time.

“ *I never personally met her. My mother worked at KD and took my daughter to the cafeteria often. My daughter absolutely loved Melinda. I knew her only through the eyes of my child. I know she was special because my daughter spoke so highly of her. Through only a handful of interactions, my child fell in love with this special woman! To her family I am truly sorry. My daughter is heartbroken to hear she is no longer with us. I hope you can find solace in the lives she touched just by the kindness in her heart.*
