“ I knew Mrs. Fultz only by “Pat”. I knew If “Pat” found out I was being naughty, then my parents would be quickly notified. “Pat” knew everything that happened on the Debord Hill. I wish I could have met the older “Pat” who I’m quite sure would have been proud of the fine raising that my parents did over 8 rambunctious kids. In a way, “Pat” had her own hand in keeping us kids on the straight and narrow. Condolences to the Fultz family from the Valencourt family.

Sorry to see the passing of your mom Bill... She always had a smile and a quick wit and wasn't afraid to express it... I remember staying overnight at your house on Winchester Ave the day after we both had our wisdom teeth removed and her buying us pizza... We were able to eat it without issues due to all the medication we were on, she laughed & laughed about it... A very sweet mom you had, sorry for your loss... If your ever in Lexington old friend look me up... David Conley
