“*Paula is the sweetest soul I ever had the pleasure of meeting, she would do anything to help anyone that she could. She was such a kind, nurturing soul who would effortlessly bring a smile to your face. She was like a mother to me and cared for me just like her own. She will be greatly missed by so many and I will miss her every single day.*”

“*Words can not express what a loss this is. Paula was the very definition of kindness. I could and still can never thank her enough for the hospitality and love she showed me through the years I knew her. She had the most beautiful motherly nature and the biggest heart. She will be missed deeply but the memories she leaves on this earth touch the hearts of so many and inspire me to be a kinder, warmer person. Thank you Paula.*”
