“ He was actually survived by 4 children. He had another daughter, my name is Alexia. I found out of his passing the day I brought my youngest son home from the hospital last year. He actually passed a couple weeks before my grandmother passed. I pray he found the Lord before he left us.

Heavenly Father, I ask that you heal my broken heart. I ask that if Pip has made his way to you that you let him know that in spite of it all I forgive him. I write this very personal message 2 years after his passing as a symbolic release of my resentment and pain in the lack of acknowledgement I received both in life and death. Oh Lord, cover his children and allow them healing in this matter as well. Pip was hurting here on earth and I pray he went with you at the end. I pray he is free from the bondage that held him captive here on earth and I pray that he is with his loved ones in heaven now.
In Your Heavenly Name I Pray, Amen.
