“ As her cousin, I have many pleasant memories of spending time with Rhonda and her sisters while growing up, and I loved that we shared one year of high school at Blazer. So wish I could have been with all of you at her funeral. Sending love, condolences, and prayers for peace and comfort.

“ I met Mrs. Fraley when I became friends with her daughter, Alyson during our time in college. Alyson and I have been friends for many years and through that I came to adore and love her mother, and entire family. When I heard of Mrs. Fraley passing all I could remember was her smile, her beautiful and infectious smile! She had such a zest for life and a heart of gold. I cried when I heard the news because I know how much she absolutely adored her two children and I know their hearts are hurting. I am sorry I could not travel and make it to be with you guys. I hope you know you are not far from my thoughts and prayers today and in the hard days and weeks to come. May you see and hear "God Winks" from your mom.

Love, Amanda
