“ *My heartfelt condolences to Bob's family. I first met Bob nearly seventy years ago when I moved from the small town of Olive Hill to the big town of Ashland. We became instant buddies. His friends became my friends. Bob was always funny, whip-smart, loyal and fearless. He was the kind of brother, father, and grandfather you treasure in your life. Rest in peace my friend. Fred A. Pope*

“ *So many great memories, and jokes. From him and Tucker eating peanuts, to him telling Tia all about black Bart and the big bad wolf. Betty and Bob were great, good hearted people, I am a better person because of them. I am so great full for the times we shared and I will forever miss both of you!*

“ *So many wonderful memories of our families time together. We were best friends from the time we met over 60 years ago. Luster loved Bob like a brother as I did Betty as a sister. I do/will miss them both. He's happy now with the love of his life, Betty.*

*Bob and his family lived next door to my family on Bath Avenue and we shared the best friendship. His Betty would have sleepovers with me as a teenager and Bob and My Brother Tom were like Brothers, they were in the family . Everyone knew all the guys in the “ Mean Thirteen “ and Bob was a big part of those cool and popular guys , all great with sports . Both he and Betty were so good to help anyone and did! Bob was genuinely caring and would give the shirt right off his back .He was intelligent, and fun . He loved Betty so much and his family . I’ll always cherish the friendship we shared and that contagious laugh . Forever in my heart ❤️ He’s with Betty now and pain free , likely fishing with his brother Tom. I’m better for knowing and loving him and the family . Must say , he was so proud of his Son and Daughter and and loved them big !*
