“ I'm going to miss you so much. You gave me the best friend/sister I could have ever asked for! I'll always hold close my memories of everyone at the kitchen table, mornings with blueberry muffins, the look you gave me and Nik when we were too loud at 3 am ☹️, you're advice (and I took it!), those delicious sugar cookies at Christmas and many, many years love you showed me. Love you - Jo

“ If I were ask who has the brightest smile and best sense of humor
I'd choose you
If I were askto name the person that I felt I could talk to about
anything and know they cared
I'd choose you
If I were to name the best cook and homemaker I've ever known
I'd choose you
If I were ask who the best mother and grandmother was, the one
who stayed by her family no matter what
I'd choose you
If it were so we could choose our moms.....
