We were all classmates, we all grew up together, we shared pictures of our children & even grandchildren. We've shared family & life events, (mostly through facebook) to me, that makes us all like family.

“ We had fun when we were younger. Like the times playing tag on your motorcycle! Probably not the smartest thing we ever did, but it was fun! I have seen you be as rotten as they come and also the sweetest. You had a big caring heart and your family meant the world to you. I know we didn't get to see each other very often but that didn't change the fact that I loved you like a brother. I will miss you so much! Love you!

“ Roger, like the rest of his family, was one of the funniest persons that I have ever met. I remember how full of spark that he was in Mrs. Dick's homeroom at Coles Putnam and how afraid I was to be caught by him the weekend that I spent the night at Janet's. He grew up to be such an honest and fine friend, father and husband. May God bless and keep you always!

“ I'm going to miss you more than I could have imagined. I love you with all my heart. You were the best brother anyone could ask for. You were kind, loving, gentle, funny and a little rotten at times but wouldn't change anything. I promise to do what I can to make sure I'm here for Myra and the girls and grandbabies. I hope you are dancing with our mom and Brad in Heaven. Until we meet again sweet Bubby.
