“ *Dear Huston family,*
I'm sorry to learn of Sam's death and pray for him and the family. I've known Sam for over sixty years. He was truly an original and unique person in his own right. I dealt with him in business and was first introduced to him through a family member in the 1960's. He was smart and had the ability to gain the edge through hard work and insight.
I haven't seen Sam for a few years but I will always fondly remember him. He was truly a memorable person and I know he loved his family and loved his life.
Sincerely,
Clyde Nicely
