“ I'll never forget Beetle... He was a great guy who was an absolute blast to work with and to just be around. He never met a stranger and the last time I got to see him I went for a handshake 🤝 greeting and Bill pulled me in and said, "no, I want a hug brother!" That was Bill, or Beetle, or whatever you called him. He once told me he was so good, that he built the very house he was born in! He always dreamed of having this big treehouse. Well Bill, I'm sure your mansion is now in the largest tree in heaven. Can't wait to hear that big laugh once again. Love ya brother! 🤗 Here is a big hug for you. RIP Bill "Beetlejuice" Maynard.
